## MALDON HOSPITAL OFFERS:

- Acute Hospital care in the “George Ray Wing”
- Residential Aged Care in “Mountview Home” and “Jessie Bowe House”
- District Nursing Services to the Maldon community
- Some Allied Health Services available on referral
- Community Programs
- A nurse led Urgent Care with medical services on call

### Acute Care

Medical, nursing & allied health is provided in the 4 bed acute wing. Home and community based services are linked via discharge planning to provide care and support on discharge.

### Residential Care

Residential Care is available for 16 residents in Mountview Home with predominately single rooms with ensuite. We offer comfort and a home like ambience for the most dependent members of our community.

Jessie Bowe House also provides residential care with 12 single rooms with ensuite. A large lounge and dining area offer supervised care whilst encouraging independence and companionship.

### District Nursing Services.

Maldon Hospital offers a District Nursing Service seven days per week to support your health in your home. The Registered Nurses will visit you at home on arrangement to provide a range of health care.

Referrals can be made by GP, yourself, family or friends

Contact : 0417 129 427

### Urgent Care

A walk-in, nurse led clinic focused on the treatment of injuries or illnesses requiring immediate care, but not serious enough to require an Emergency Department visit. A doctor is on call.

### Volunteer Community Bus

The Maldon Hospital bus is driven by a team of volunteers and includes transport to Maldon Medical clinic every two weeks and twice a month transport to Lansell Square in Bendigo.
